## FAQs

- **How am I going to get to Sardinia?**

Sardinia is accessible by air or sea, please contact us on [info@locationsardinia.com](mailto:info@locationsardinia.com) for more details.

- **What Insurance do I need?**

It is very important that you check that the activities you propose to participate in are covered by your travel insurance. Please note that some activities on offer are NOT included in standard travel insurance.

- **What payment options do I have in Sardinia?**

Sardinia now uses the Euro. Where deposits are required on-site e.g. for villas, use Sterling as that way you will not need to change currency on your return (provided that you do not forfeit your deposit, of course).

- **Where can I stay?**

We provide a variety of accommodation options including villas, hotels and apartments, please contact us on [info@locationsardinia.com](mailto:info@locationsardinia.com) for more details.

- **What else can I do?**

What am I going to do? We have a wide and varied choice of exciting activities for you to choose from as well as diving, including trekking, quad biking, mountain biking, climbing, sea-kayaking, sailing, cooking and excursions (day and half-day). Once again please contact us for further details.

- **If I have a special dietary need, what should I do?**

If you are vegetarian, diabetic or have food intolerances then please let us know in your email as we have a number of alternative dietary options built in to most of our programmes.

- **What do I need to do if I have a disability?**

If you are disabled please let us know. We have even been able to take wheelchair bound people on the Land Rover Safari. There is very little that you cannot do given enough prior warning.

- **Are there discounts for Clubs and large Parties?**

There may be discounts available for clubs and large parties. Also savings can be made when people share rooms and apartments. Some of the activities, e.g. sailing, are specifically designed for parties of people usually 6-8.
