

SARDINIA SCUBA TOURS ARE ORGANIZING A NEW WRECK SAFARI PROGRAM FOR 2007 DUE TO LAST YEAR'S GREAT SUCCESS

We are pleased to announce that we have been able to keep our prices the same as for 2006 - £750 per person, which includes return flights (Gatwick-Olbia or Stansted-Alghero), transfers, 10 dives, tanks and weights, hard boat with light lunch aboard & 7 nights' 3-star hotel accommodation with breakfast.

With excellent visibility and a rich marine life, you could not wish to find a better location for this event!

We have an exciting programme!

PROPOSED PROGRAMME:

The dates are October 8th to October 15th flying from London Stansted-Alghero. Please contact our booking agent info@locationsardinia.com if you wish to fly out of East Midlands or any other British Airport (at a supplement) or enjoy the safari on alternative dates. Included are transfers from the airport to our dayboat where you will be transferred to the Oriental Coast. You will spend the first two nights in the harbour town of Cala Gonone, in a 3-star family-run hotel where they will serve you breakfast.

You will spend the first two diving days in this area which is renowned for its caves and caverns and several wrecks including one very well known WWII wreck.

On the third day of the safari bags will be transferred from the first hotel to the next hotel, which likewise is a 3-star family-run hotel, where the group will spend the rest of the week. For the third day of diving the group will proceed to the next dive stop, which is the Island of Tavolara. Day four will be spent diving in the Arcipelago of La Maddalena and day five will be spent diving in Corsica, where the first dive is a marine dive to visit the groupers and the second dive is a wreck. On the second day of your diving programme as the wreck is split in two pieces 400m apart both dives will be spent on the same wreck, but on average we will visit two wrecks a day, we will be moving from the east coast of Sardinia up to the north coast and across to Corsica.

Each day a light lunch will be prepared aboard our dayboat. The sixth day is a rest day. An optional sightseeing tour can be arranged which is not included in the price of the package.

This program is subject to the weather conditions permitting and may be subject to change as we reserve the right to make changes to the programme without notice. More surprise events - outside of the diving - may materialize as they did last year.

For groups we can offer a free place for diving with overnight accommodation provided aboard our liveaboard with a minimum of 8 paying. The 9th person only has to pay for their flights. We run Wreck Safaris in April, May, June, September, October, and November only.

We can offer a 10% discount for club bookings made before the end of March 2007 for a minimum of 8 persons.

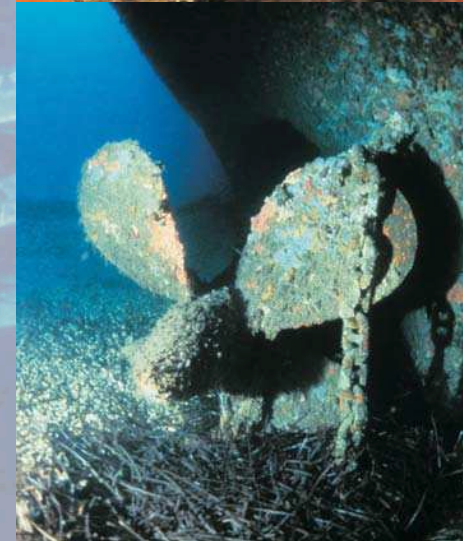

We can tailor make safaris for groups as required.

The maximum number of people per safari is 10 paying persons plus 1 free place for diving group leader.

We need the named confirmation for flights at least 8 weeks before the date of departure.

These prices are for 2 people sharing.

Booking fee is £ 10 per person.
